## BLOG BENETTON

### DIY: flower pin brooch

Fashion DIY (Do It Yourself), is a popular hobby and blog project amongst fashion bloggers like myself, inspiration taken from catwalks to magazines those of the items we cannot afford nor available to buy, DIY is a simplest and affordable solution to create your own design signature with the help of scraps – old accessory, [...] [read more](#)

### Persdagen 2011: fashion signals from the future

Their are two important months (besides the fashion week months of course) in a fashion year, which are April and October... In these months the PR agencies present their newest collections to the bloggers, stylists and editors of all magazines and websites. Unfortunately, due to my trip to Mexico I couldn't attend most of the [...] [read more](#)
